

! IMPORTANT !

We are so excited to welcome you back!

Our lobby is open with the following safety measures:

- Masks are required if you cannot social distance at least 6 feet.
- The number of customers allowed in our lobby at the same time will be limited.
- When entering, you will be asked to briefly pull down your mask so we can identify you.
- Disposable masks are available for you if you happen to forget your facemask.
- Hand sanitizer is available throughout the bank for customer use.
- Please follow social distancing rules and floor stickers throughout the lobby.
- Plexiglas partitions will be used where direct interaction takes place.
- Call-ahead appointments are recommended for any bank services beyond standard teller-window service.
- Public restrooms are not available.
- We will give you a friendly wave rather than shaking hands.
- Feeling sick? Please stay home and take advantage of phone or online services.
