Don't miss this exclusive opportunity! Our adventure begins in Porto, the second largest city in Portugal! Board the MS Riviera Rose and settle in to begin your 9-day luxury adventure on the Douro River. Cruising through the landscapes of the Douro Valley, we'll view the stunning architecture, bell towers and baroque churches that define traditional Portugal. Visit the historic 12th century walled village of Castelo Rodrigo, the dazzling beauty of Salamanca, Spain, and the picturesque town of Pinhao. Join us at the travel preview for the complete itinerary!

This adventure brings all the best that New Orleans & the Gulf Coast has to offer! We will settle in just minutes from the French Quarter. Highlights include a guided tour of New Orleans, St. Louis Cathedral, an Air Boat Swamp Tour, the National WWII Museum, Steamboat Natchez and Mardi Gras World. Then we depart for Orange Beach, Alabama, stopping in Biloxi for a shrimping boat excursion! Ocean front views and Southern hospitality await as we visit B & B Pecans, the USS Alabama and The National Naval Aviation Museum.
