

Transition Guide

What to expect as we bring together our family of banks to enhance efficiency, share resources, and expand tools for you!

a division of **FORESIGHT BANK**

EXECUTIVE

Message

Dear Valued Customer,

Over the past year, we shared the news that our six community banks—German American State Bank, Lena State Bank, Northwest Bank of Rockford, State Bank Freeport, State Bank of Davis, and State Bank of Herscher—would come together as one organization and now operate as divisions of Foresight Bank.

While we've long worked together behind the scenes, this step represents more than just a change in structure. It's a thoughtful commitment to our shared future—uniting our resources, expanding our capabilities, and strengthening our promise to the communities we serve.

We understand change isn't always easy, especially when it comes to something as important as your bank. But while our structure has evolved, our commitment to you hasn't. Our team remains local, dedicated, and ready to support you—just as we always have.

This move enables us to do even more for you. By working together as one bank, we can reduce duplication, streamline services, and focus our resources where they matter most: improving your banking experience and supporting your financial goals. You'll see expanded treasury and business services, stronger digital tools, and a broader team of experts across all our markets.

With over \$1.6 billion in assets, Foresight Bank is now the largest locally headquartered and locally managed bank in the region—proving that

community banks can grow without losing what makes them special.

This is more than an operational change. It's an investment in the future—and in the future of every person, business, and neighborhood we serve. We're proud to be growing with you, and for you.

Thank you for continuing to place your trust in us. We look forward to serving you for many years to come.

Warm regards,

YOUR LOCAL BANK IS

Now Stronger

Since 1986, Foresight Financial Group has brought together community banks that share a commitment to local values and long-term relationships. What began with the partnership between German American State Bank and State Bank of Davis grew into a six-bank holding company that also included State Bank Freeport, Lena State Bank, Northwest Bank, and State Bank of Herscher. Over the past year, we unified our organizations into Foresight Bank —built on decades of trusted service across northern Illinois.

This is simply an internal change – not a merger or buyout – that strengthens and enhances our organization and what we can offer you.

We're also becoming the largest locally headquartered and managed bank in the region! This opens the door to streamline operations and strengthen the banking experience with valuable benefits we can pass on to you. Now, you can experience more convenience, faster approvals and funds when you need them, new products, cost-effective solutions to meet your financial needs, and continued local decision making made by the people you know and trust in our community.

This booklet provides detailed information about what this transition means for you. It includes a timeline of important dates, action items that you will need to plan for, frequently asked questions, product information, and more. Plus, our team is here to address any questions you have along the way.

We're excited to share enhanced offerings that meet your personal and business banking needs with the same dedication to local banking and care you've always trusted.

Note: You may receive more than one copy of this booklet. To meet regulatory requirements, each primary account holder is provided with their own copy. We apologize for any inconvenience and appreciate your understanding.

DEPOSIT NOTES

FDIC Insurance Coverage Notice

- As of May 1, 2025, our six community banks officially consolidated under Foresight Bank. As a result of this consolidation, deposit accounts held at multiple divisions of Foresight Bank are now considered part of the same FDIC-insured institution.
- The Federal Deposit Insurance Corporation (FDIC) provides a six-month grace period—from May 1 through October 31, 2025—during which

deposits that were separately insured under the original bank charters will continue to be insured separately. After this period, account balances across all divisions will be aggregated for insurance coverage and insured up to the standard limit of \$250,000 per depositor, per insured bank, per ownership category. For time deposits, like CDs, with a maturity date outside the six-month grace period, FDIC coverage will continue until six months after the maturity date.

- If you have not yet reviewed your combined account balances, we encourage you to connect with your local banker. Our team is here to help you understand your coverage and explore available options to ensure your deposits remain fully protected.

CONSUMER OVERDRAFT PROTECTION

Are there changes to my current overdraft protection options?

- No, any established sweep transfers and/or Overdraft Protection Lines of Credit will not be affected.

What overdraft protection options are available?

- We offer three types of overdraft protection:

Sweep Transfers link one of your deposit accounts to another deposit account with us. The funds are automatically transferred to cover any overdrafts.

Personal Reserve Accounts formally known as Overdraft Protection (ODP) Accounts allows a revolving line of credit attached to your checking account to cover overdrafts up to your approved limit.

Overdraft Privilege is a discretionary service available with select checking accounts, automatically applied, if qualifications are met. Separate notice will be provided when service is activated. Please see Overdraft Privilege Service Policy for additional information.

*Please see our fee schedule for any applicable fees for overdraft protection options.

PERSONAL CREDIT CARDS

If you already have a credit card with us, there's no need to take action—your account remains active and there will be no disruption in service.

If you're interested in applying for a personal credit card, scan the QR code or visit your local branch.

CONSUMER LOAN INFORMATION

Will my loan account number(s) change?

- Most customers will not see any changes to their existing account number(s). Your current account number(s) will continue to work as they do today—no action is required.
- In rare cases where duplicate account numbers exist across our Foresight Bank divisions, we will reach out to those affected customers directly with next steps prior to maintenance weekend.

Will my routing number change?

- Yes — as of August 25, 2025, any new accounts and automatic payments will use routing number **071113162**.
- Existing automatic payments will continue to work. No action is needed.

Will the terms of my loan change?

- No, all current loan terms will remain in effect until the next scheduled maturity date.

Will the mailing address I mail my loan payment to change?

- No, please continue to mail your loan payment to the address used today.

As of August 25, 2025, please make all checks payable to Foresight Bank.

Can I continue to use my loan coupon payment book?

- Yes, please continue to utilize your current loan coupon book. **Please make any checks payable to Foresight Bank as of August 25, 2025.**

Will my automatic transfers continue?

- Yes, any automatic transfers you currently have set up between your accounts will continue without interruption.

Will my automatic loan payments continue?

- Yes, any automatic loan payments you currently have set up will continue without interruption.

Will you have any new methods of making my loan payment?

- Yes, as of October 28, 2025, we will be adding the ability to make payments through our website. To make a payment online, visit **www.statebankofdavis.com** after October 28, 2025, and select the 'Make a Loan Payment' button. Please have your personal and account information available.

Will I see a change on my credit reporting?

- Yes, all loans will be reported as a Foresight Bank loan as of August 25, 2025.

Will any deposit or loan notices change?

- No, your notices will continue as they do today with an updated Foresight Bank look.

As of August 25, 2025, make checks payable to Foresight Bank.

DEPOSIT NOTES

FDIC Insurance Coverage Notice

As of May 1, 2025, our six community banks officially consolidated under Foresight Bank. As a result of this consolidation, deposit accounts held at multiple divisions of Foresight Bank are now considered part of the same FDIC-insured institution.

The Federal Deposit Insurance Corporation (FDIC) provides a six-month grace period – from May 1 through October 31, 2025 – during which deposits that were separately insured under the original bank charters will continue to be insured separately. After this period, account balances across all divisions will

be aggregated for insurance coverage and insured up to the standard limit of \$250,000 per depositor, per insured bank, per ownership category. For time deposits, like CDs, with a maturity date outside the six-month grace period, FDIC coverage will continue until six months after the maturity date.

If you have not yet reviewed your combined account balances, we encourage you to connect with your local banker. Our team is here to help you understand your coverage and explore available options to ensure your deposits remain fully protected.
